Night to Unite-August 2, 2016

Mark your calendars and let's start planning for this year's Night to Unite celebration! Night to Unite is an effective and fun way for neighbors to connect with neighbors and to learn new ways to make our community a safer place to live. The West St. Paul Police Department will be out and about on August 2nd to talk to their residents about effective crime prevention strategies. South Metro Fire Department and City Council members will also be out on August 2nd to discuss and listen to important issues residents have regarding their neighborhoods or community.

Whether it's your first time planning your block party, or continuing a tradition, it's up to you and your neighbors on how you would like to celebrate Night to Unite. Your block party can be as elaborate or as simple as you like --kids games, ice cream socials, potlucks, parades, cook-outs or more!

For more information on how to plan or to register your party, contact Laura Vaughan at 651-552-4235 or lvaughan@wspmn.gov
